

# SUPERIOR AUDIO FOR EVERY LYNC ONLINE MEETING

GlobalMeet Hybrid Audio for Lync Online provides users with an integrated solution that brings superior voice quality to every Lync Online meeting. With capacity for up to 300 VoIP and PSTN participants and the best audio quality available in web conferencing, GlobalMeet Hybrid Audio for Lync Online makes every Lync Online meeting more productive and efficient.

## CALL QUALITY YOU CAN HEAR.

Nothing ruins a meeting like poor audio quality. GlobalMeet Hybrid Audio for Lync Online delivers enterprise-class audio for meetings anywhere around the globe. GlobalMeet Audio is built on PGI's global hybrid audio network, so you can be confident that every meeting has the best possible audio quality.

CRYSTAL CLEAR AUDIO  
QUALITY OVER BOTH PSTN  
AND VOIP CONNECTIONS

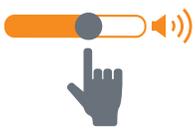

SEAMLESS INTEGRATION  
WITH LYNC ONLINE

GLOBAL COVERAGE FOR  
PARTICIPANTS INSIDE AND  
OUTSIDE OF YOUR COMPANY

# COMMITTED TO MAKING EVERY LYNC ONLINE MEETING BETTER

## Crystal-clear audio quality

Get a better meeting experience with reliable, high-quality audio that makes meetings more productive and efficient.

## Global coverage

Connect participants from across the globe with more than 160 local access points.

## Hybrid audio

Mix dial-in, dial-out and VoIP calls in the same meeting, connecting participants from both inside and outside of the company's firewall.

## Proven enterprise-grade audio network

GlobalMeet Audio is a hybrid IP audio network that hosts more than 60 million audio meetings each year.

## Large meeting capacity

Deliver flawless, reliable audio quality on calls with up to 300 participants with no degradation due to increased meeting capacity.

## Seamlessly integrated

Meetings continue to be managed through the Lync Online interface, requiring no additional end user training.

## Host controls for better meeting management

Conference hosts are equipped with a range of audio controls to make meetings more productive.

PGi is a leading global provider of collaboration software and services.
